Dear Parents/Carers

I am very pleased to announce that Ofsted have recognised that we are a GOOD school and the enormous progress that has been made by the Academy in recent years.

This is testimony to the hard work put in by parents, carers, governors, staff and most importantly by the students themselves.

Let me take this opportunity to pass on my personal thanks to all the members of the Central Academy community. During my time here we have faced many challenges and I am continually impressed by the resilience and positive attitudes of our students and wider community.

We still have a long way to go and will not rest until we are providing the very best possible experience for all our students. It is reassuring to receive recognition from Ofsted that we are doing the right things.

The final report will be available on our website later this week and on the Ofsted website on Friday.

Once again thank you for your ongoing support.

Yours faithfully
