5.1 Arrangements for Admission to 11-16 Provision

The admission arrangements for Central Academy for the year 2017/18 and, subject to any changes approved or required by the Secretary of State, for subsequent years are:

- a) Central Academy has an agreed admission number of 240 students. The Academy will accordingly admit 240 students in the relevant age group each year if sufficient applications are received, and no more than 240 students.
- b) Central Academy may set a higher admission number as its Published Admission Number for any specific year. Before setting an admission number higher than its agreed admission number, the Academy will consult those listed at paragraphs 5.10 below. Students will not be admitted above the Published Admission Number unless exceptional circumstances apply and such circumstances shall be reported to the Secretary of State.

5.2 Process of Applications

Applications for places at Central Academy for the main intake, ie September Year 7, will be made in accordance with the LA's co-ordinated admissions arrangements and will be made on the Common Application Form (CAF) provided and administered by Cumbria County Council and published in its co-ordinated admissions scheme.

- a) Before 5 September - Central Academy will publish in its prospectus information about the arrangements for admission, including oversubscription criteria, for the following September. This will include details of open evenings and other opportunities for prospective students and their parents/carers to visit the Academy. The Academy will also provide information to the LA by 24 April for inclusion in the composite prospectus, as required;
- b) September/October – the Academy will provide opportunities for parents/carers to visit the Academy;
- c) September/October – CAF to be completed and returned to the LA by the published date;
- d) November/December - LA sends details of applications to the Academy;
- e) December/January - The Academy sends list of students to be offered places to the LA;
- f) January/February – LA applies agreed scheme for own schools, informing other LA's of offers to be made to their residents;
- g) 1st March – or first working day in March, offers are made to parents/carers by the LA on behalf of the Academy.

5.3 Consideration of Applications

Central Academy will consider all applications for places. Where fewer than the published admission number for any relevant age group are received, the Academy will offer places to all those who have applied.

5.4 Procedures where Central Academy is Oversubscribed

Criteria applied to admissions

Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below. After the admission of students with statements of Special Educational Needs where the Academy is named on the statement, the criteria will be applied in the order in which they are set out below:

- a) Looked after children and previously looked after children;
- b) Admission of students whose siblings currently attend the Academy and who will continue to do so on the date of admission; ("Siblings" are defined as brothers and sisters living permanently at the same address and includes foster and step-young person). This will be prioritised by the criteria outlined in 5.
- c) Students living in the catchment area of the Academy as defined by the LA catchment map. This will be prioritised by the criteria outlined in 5.4 (d).
- d) Students living outside the catchment area of the Academy (as defined in 5.4 (c), on the basis of proximity to the Academy using a straight line measurement from the main entrance of the Academy and to the main entrance of their home.
- e) There will be a right of appeal to an Independent Appeals Panel for unsuccessful applicants.

5.5 Operation of Waiting Lists

- a) Subject to any provisions regarding waiting lists in the LA's co-ordinated admission scheme, Central Academy will operate a waiting list. Where in any year the Academy receives more applications for places than there are places available, a waiting list will operate until one academic term after the admission date. This will be maintained by the Academy and it will be open to any parent/carer to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.
- b) Young person's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in paragraph 5.1 (a – d) above. Where places become vacant they will be allocated to young persons on the waiting list in accordance with the oversubscription criteria.

5.6 Late Applications

- a) Late applications will be considered within the terms of the co-ordinated admissions scheme. The LA will co-ordinate late applications to ensure consistency.
- b) In the case of oversubscription the procedure outlined in 5.4 (a – d) will apply.

5.7 Arrangements for admission to post 16 provision

- a) Central Academy will provide a range of courses for post 16 education. All students from the Academy will be admitted to the post 16 programme providing an appropriate course of study is available and the student has the prerequisite qualifications for the course(s) requested.
- b) The number of these students will be capped at each year's EFA allocated numbers.
- c) Other/external students will be admitted into Year 12 up to EFA allocations less the number of the Academy's own students, providing an appropriate course of study is available, there is a place available within the course(s) requested and the student has the pre-requisite qualifications.
- d) The range of courses and learning opportunities offered by the Academy will include non-traditional end dates to ensure the Academy supports students' transitions into other provision such as apprenticeships.
- e) The range of courses and learning opportunities offered by the Academy will include non-traditional start dates to support students seeking to transfer from other or no provision.
- f) The Academy will, on an annual basis, publish specific criteria in its prospectus, on its website and in other promotional materials in relation to minimum entrance requirements for the range of courses available based upon GCSE grades or other measures of prior attainment. These criteria are the same for internal and external transfers. In order to maintain high standards of teaching and learning the Academy reserves the right to place limits on the number of students that can be recruited on each course.
- g) There will be a right to appeal for unsuccessful applicants to the Academy post 16 provision.

5.8 Arrangements for Admitting students to other year groups, including to replace any students who have left Central Academy

- a) Subject to any provisions in Cumbria County Council's co-ordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child unless one of the permitted reliefs apply. All applications will be considered in strict chronological order. If more applications are received than there are places available, the oversubscription criteria in paragraph 5.4 (a – d) shall apply. Parents/carers whose application is turned down have the right of appeal to an independent appeal panel.
- b) The Academy will participate in Cumbria County Council's In-Year Fair Access Protocol.

5.9 Arrangements for Admission of Students as Central Academy Builds to its Full Capacity

- a) From 1st September 2008 onwards, admission to year groups without a Published Admission Number will be based upon the size of teaching groups already existing in the Academy and the efficient use of resources.
- b) There will be a right of appeal to an Independent Appeal Panel for unsuccessful applicants.

- c) Copies being made available without charge on request from the Academy;
