Dear Parent/Carer

Re: Cycle Safety Policy

Following a number of complaints regarding dangerous behaviour by students cycling to and from the Academy, I am writing to inform you of new procedures being put in place to address and improve the problem.

From Monday 20th November 2017 no student will be permitted to bring their bike onto Academy property unless the reply slip below has been completed, signed and returned. After this date any student who is identified as having behaved in a dangerous manner whilst cycling to or from the Academy will have their right to bring their bike removed for the remainder of the term/academic year.

It is hoped that with your support we will see a change in behaviour and an increase in cycle/road safety.

Yours sincerely

Mrs Locke
Vice Principal

Please complete and return to Mrs Locke by Friday 17th November, 2017

I/We confirm that _____ (student name)

Please tick

Has been spoken to at home regarding cycle safety

Will cycle safely to and from the Academy following the rules of the road

Understands that failure to do the above will result in his/her right to bring a bike to the Academy being removed

Signed: _____

Date: _____
