Dear Parent/Carer

Re: End of Year 9 Exams

Please find below a copy of the timetable for the end of Year 9 exams which your son/daughter will be sitting later this term. Students will be working hard in lessons to prepare for the exams and should be consolidating their learning with revision at home. Option subjects not listed below will be examined during normal lesson periods during the three week block.

Should you require any further details regarding the exams please contact your son/daughter's teachers and they will be able to answer any questions.

Thank you for your ongoing support.

Yours faithfully

Mrs Barnsley
Director of Key Stage 3
