

We are an Academy of Character and Excellence. We provide a unique and extraordinary experience that sets us apart: locally, nationally and internationally. We give opportunities to develop the character of our pupils no matter what the circumstances.

We have created the Central Honours Home Edition and have developed a full range of weekly assemblies, TED talks, enrichment activities, and Curriculum challenge zone lessons in order to continue to develop you into well-rounded individuals in these extraordinary times..

Don't forget to print and sign off on your honours when completed and get your parent/carer to as well!

When we return present to your Head of Year.

Good luck!
