Dear Parents/Carers

Re: Behaviour and Rewards Systems

Over the past few months, we have been reviewing our behaviour and rewards systems to ensure there is a fair balance between positive and negative communication. A part of this has been assessing how our core values Love, Respect and Determination align with our current policy.

When developing any policy around rewards and behaviour we feel it is vital that staff, parents and students have the opportunity to contribute towards the development of this policy. Before Christmas, we launched this with staff and have already started discussions and planning developments.

We are now at the stage where we want to involve parents and the school community in the process. Therefore, if you are interested in becoming involved in the behaviour & rewards group, please contact me via email at dan.markham@rrca.org.uk by Friday 29th January.

Thank you for your continued support and I look forward to meeting the behaviour and rewards group soon.

Yours faithfully

Mr D Markham
Vice Principal

Principal: Miss C Bacon
