Dear Parent / Carer

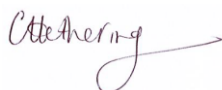

RE: Design Technology

As you are already aware, your child has chosen to study Hospitality and Catering as one of their GCSE.

This year we will be making more complex dishes which will involve us using more expensive ingredients such as fresh meat and poultry. We are asking that parents/carers contribute £15 for the year to cover some of these costs. This works out at less than £1 per practical lesson and will enable us to provide all of the staple ingredients needed.

Payments will need to be made as soon as possible via Parent Pay, if you are unsure of your login details please contact Holly in Finance on 01228 822636. If you envisage a problem with this payment please contact the Academy and leave me a message, I will get back to you as soon as possible.

Yours faithfully

A handwritten signature in cursive script, appearing to read 'C. Hetherington', with a long horizontal flourish extending to the right.

Mrs Hetherington
Course Co-Ordinator of Technology
