The best in everyone

Part of United Learning

DMA/LFA

20th November, 2020

Dear Parents/Carers

Following on from Mrs Tomlinson's letter yesterday, I would like to update you with the home learning guidance for next week.

We have now updated the school website with links to students' interactive timetables for the week beginning 23rd November. The majority of this work is assignment based through Teams with some live lessons for the older year groups. Students who received work packs will continue to have this support over next week. If you require any further work pack resources or revision workbooks, please let us know. Similarly, if you are having any issues accessing remote learning or have issues with ICT provision please contact your Head of Learning in the first instance, they would be more than happy to help.

If you are eligible for Free School Meals our staff will be providing hampers for the week ahead on Monday morning. This will also include a menu for the week outlining what can easily be prepared using the hamper contents. There will be a pick-up point from outside of the main reception.

Parents/students coming to collect must ensure they wear a mask (unless exempt) and be two metres apart from other families.

Pick up slots below:

11:00-11:30: Year 7
11:30-12:00: Year 8
12:00-12:30: Year 9
12:30-13:00: Year 10
13:00-13:30: Year 11

Families that have children in more than one year group are to arrive at the eldest child's time slot. Those families that are currently self-isolating can nominate a person to collect from the main reception. Any family that are self-isolating and cannot nominate a friend/extended family member to collect or cannot collect at the allotted time should contact melanie.iring@rrfa.org.uk for further support.

As in our previous letters we encourage parents to take up the advice from PHE to have your child tested for Covid-19. If your child does test positive, please do send details of any positive results to covid@rrca.org.uk

We have been very proud of how students have engaged in their learning over the past week and hope this continues next week. A reminder, we have our INSET days on Friday 27th November and Monday 30th November, therefore no additional work will be set on these two days. However, the interactive timetables do provide additional national resources for those students wishing to stretch and challenge their learning.

We will get in touch early next week with an update ready for the following week.

I would like to thank you for your continued support and patience during this difficult time.

Yours faithfully

A handwritten signature in red ink, appearing to be 'D Markham', written in a cursive style.

Mr D Markham
Vice Principal
