Dear Parents/Carers

Re: First week back at Central Academy

I wanted to write directly to you at the end of our first week back to let you know how things have been in school.

It has been fantastic to see our students not only back in the building with us, but keen to engage, learn and enjoy school again! The whole school attendance this week has been fabulous and overall attitudes to lessons have been overwhelmingly positive.

You will be aware that we have changed the way that students move around the building and they are being taught in their year group zones for most of the day. They leave their zones, accompanied by a member of staff, for practical subjects, break and lunch time. This has allowed us to ensure that year groups cross as little as possible, which is what the government have asked us to do in their guidelines.

Students have enjoyed seeing their friends, as well as getting back into the routine of coming to school each morning. Whilst we do not yet have after-school clubs up and running, we are hoping to soon.

Thank you to the many parents who were able to attend the information evenings we held this week. Your positive feedback has been most welcome. For parents who were unable to attend, Heads of Learning will be in touch to see if we can improve the timings of when we schedule parent events, so that more of you are able to attend.

I would like to thank you for all your support this week, both in ensuring that your child attends school every day and that they are properly equipped for learning, along with their own masks. This has made an enormous difference to how we have been able to approach our return to school, and ultimately, has meant that your child knows that home and school are working together for their benefit.

With best wishes

Miss Bacon
Principal
