Dear Y11 Parents/Carers

It only seems five minutes since we had our first parents' evening in November and now, I write to you with 19 school days remaining until the start of the summer exam season begins. By now, you should have received your child's mock results. Our mocks have been conducted under formal exam conditions and we have used the grade boundaries from the 2019 exam series to determine their grades.

I am delighted that our students have made excellent progress from mock 1 to mock 2 and we would expect students to make at least the same progress again if they continue attending school and support sessions available to them. From our recent analysis, students with over 97% attendance since Christmas have all exceeded their targets already in mock 2. Therefore, attendance in the run up and during the summer exams is vital to ensure your child is successful.

During the Easter holidays we have an excellent offer for Year 11 students and would strongly recommend that students attend as many sessions as possible. I have attached the program on the back of this letter.

In our newsletter on Friday, there will be information about our Year 11 Prom and leavers hoodies, if you have any questions, please contact Mr Barratt via email at Gareth.Barratt@rrca.org.uk.

Below I have provided you with some key dates including a parent coffee morning early next term on "supporting your child through their exams":

- **Tuesday 2nd May – Parent Coffee morning (9 am – 10 am)**
- **Monday 15th May – Summer exams begin**
- **Friday 16th June – Last day in school**
- **Monday 19th June – Leavers assembly (AM)**
- **Friday 30th June – Prom, Crown & Mitre Hotel**
- **GCSE Results Day – Thursday 24th August**

(Please note if you are not able to attend results day, please contact our Exams Officer via email at Sharon.Nattrass@rrca.org.uk and she will make other arrangements for you.)

I am really proud of the progress students have made this year and we will continue supporting them every step of the way. I will write to you again just before the start of the summer exam season and as always, would like to thank you for your continued support.

Yours faithfully

Mr Markham
Principal
