23rd April, 2021

Dear Parent/Carers

We are all so very proud of how students have started the summer term. It has been a record week for the number of positive logs and students have really engaged with the new iChoose system. Similarly, the launch of the behaviour system has gone very well.

On a separate note, you may have seen in the media about some safeguarding issues related to some disturbing clips and videos being published on some social media platforms. Over the next few weeks, we are running some E-safety and Social Media sessions with students but would encourage you to be extra vigilant at this time. As always, if you have any concerns related to safeguarding please contact Mrs Dunn (Year 7, 8 & 9) or Mrs Watson (10 & 11) who will be more than happy to help.

Next week our rewards focus is 'Enthusiasm.' Please encourage your child to positively engage in their lessons to see how many iChoose vouchers they can get. As always, if you have any questions or concerns, please contact your child's Head of Learning in the first instance.

We will be launching the 'Principal's Book of Excellence' where staff can nominate students for an outstanding piece of work. The student will have a meeting with me, will sign the book of excellence and a letter will be sent home outlining the excellent work that they have completed.

I will be writing to you again next week in our fortnightly newsletter which will have information about our next live broadcast with myself and Mr McGuire, alongside the key events this half term.

Thanks again for your support this week and have a lovely weekend.

Best wishes

Mr Markham
Acting Principal

Principal: Miss C Bacon
