Dear Parent/Carer

This week the staff have been working hard getting ready for students returning to school. After recent government guidance students will be expected to wear a plain face covering when moving around the Academy. If any student has underlying health conditions that does not allow them to wear a mask, we ask, in the first instance, for a signed parental letter to be handed in on your son/daughter's first day in the Academy.

We will review our policy for wearing masks and this will be subject to change. We will, of course, inform you of any future changes.

I would like to thank you again for your support and a polite reminder that your parental introduction meetings are next week, please find information for your child below:

Year	Date	Time
