Dear Parents/Carers

Sixth Form Information Evening – Thursday 21st January, 2021

Life in the Sixth Form at RRSF ensures a rewarding experience, preparing students for the rigours of A-level and/or BTEC study, whilst equipping them with the life skills needed to flourish whatever their chosen career path may be. The two years in the Sixth Form act as a bridge between the relatively ordered style of GCSE courses and the much freer life at university and beyond. We see ourselves as the natural choice for students from any school in the area but welcome the chance to continue the journey for students from Richard Rose Central and Morton especially. The principles we have established successfully in Years 10 and 11 are further developed using excellent teaching and pastoral care.

Richard Rose Sixth Form is committed to provide the highest quality of education and to offer opportunities to students who share our core values of love, respect and determination. The key to success is the collaboration between each student, their friends, parents/carers and our passionate teachers.

If you're ready to decide your career direction, prefer practical learning to lots of theory and perform better in continual assessment than exams, then a BTEC could be a good fit for you. However, if you want to keep your options for careers and/or university study as open as possible, A-levels may be the choice for you. Students at RRSF can choose between an A-level pathway, BTEC pathway or a combination of the two. Whatever your plans for the future, we can provide the qualifications to ensure that you are ready.

The aim for each student is to leave Sixth Form with the utmost preparation, not only for the continuation of their academic career at university or in the workplace, but also as mature, confident, and responsible members of society ready to take on the world.

Please visit our **Virtual Open Evening** event on **Thursday 21st January 2021** at **15.30** by visiting the [website](#) or by clicking [on this link](#) to take part in our **Sixth Form Information Evening** with Miss Bacon and Mr Howarth. You will be able to find out more about life in the Sixth Form ready for the **Subject Information Presentations** on **Wednesday 27th January 2021** with the subject teachers who will be presenting on their subjects and will be prepared to answer your questions. There will be a Q&A following the presentation to ask questions and all are welcome to attend. The presentation will be recorded and shared for those who are unable to make the event.

We look forward to seeing you there.

Yours faithfully
