The best in everyone

Part of United Learning

DMA/LFA

6th January, 2021

Dear Parents/Carers

I hope you had a lovely Christmas holiday and have had a positive start to the week. As announced by the government our remote learning programme will resume this half-term.

Our remote learning package includes live lessons, interactive PowerPoints, interactive apps/websites and assignment-based activities. Below I have outlined the first two weeks of learning for each year group:

Week Beginning 4th January

- Years 7 – 10 & 12: Assignment based activities set on Teams
- Years 11 & 13: Live Teams lessons for all subjects

Week Beginning 11th January

- Years 7 & 8: Assignment based activities set on Teams
- Year 9: Live Teams lessons for core subjects and assignment-based activities for non-core
- Years 10 – 13: Live Teams lessons for all subjects

From the week beginning 18th January we are looking at developing our remote learning programme further to make learning as enjoyable as possible for all of our students. More information on this will follow next week.

If you require any further resources or revision workbooks, please let us know. Also, if you are having any issues accessing remote learning or have issues with ICT provision please contact your Head of Learning in the first instance, they would be more than happy to help.

We have been very proud of how students have engaged in their remote learning over the past term and hope this continues during this lockdown period.

I would like to thank you for your continued support and patience during this difficult time.

Yours faithfully

Mr D Markham
Vice Principal

Principal: Miss C Bacon
