Dear Parents/Carers of Y12 Students

Year 12 Mock Examinations: Wednesday 23rd June to Tuesday 29th June, 2021

I hope this letter finds you and your family safe and well. I am writing to outline the timetable for year 12 mock exams. In order to accurately assess student's current attainment levels and their progress, they will sit exams in each of their subjects over a five day period, from Wednesday 23rd June to Tuesday 29th June, 2021. The data gathered from these exams will be analysed thoroughly and used strategically to plan ahead for each individual pupil and identify any additional needs or issues that may arise. This is the first vital step in a series of supportive measures we will implement throughout the upcoming academic year to ensure that all students achieve the grades they are capable of.

The rationale behind including a break over the weekend, is to allow students to recharge and plan their revision; whilst experiencing a realistic exam process as stipulated by the examination boards. When students are not sitting exams, there will be time to prepare for their next examination; alongside when they are available, attending their normal timetabled lessons. Teachers and form tutors will provide some revision guidance to help prepare students for these exams.

Your support with this process; including with their daily attendance, punctuality and being correctly equipped is vital in helping your child to succeed now and throughout the remainder of their time here. Alongside your encouragement for them to complete all homework and extra reading will help foster the right environment for success.

As always, if there is anything further we can do to support your child in achieving exam success next summer, please do not hesitate to contact us. Please find enclosed a mock timetable overview for your information. This has also been emailed to your son/daughter.

Thank you for your continued support at this crucial time.

Yours faithfully

Mr S Howarth
