

Sixth form dress code

It is important that we uphold excellent standards of professionalism in the way we dress to ensure that we are in the right mindset for academic study and future success. As a result, we have high expectations of the students' dress code in year 12 and 13. We understand that the dress code has changed for 22-23 and therefore Y12 and 13 will be allowed to wear plain dark (blue or black) jeans for this year.

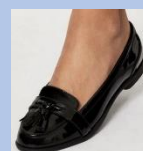

Our sixth form dress code is smart casual and, although we do not expect suits to be worn, we expect students to be smart when attending the academy.
